“When I first became a designer, my customer said to me : You are a designer,not a fighter;so your works should be the affinity but not the icy cold.If just make it different from others,that is not design,it is just one of your fantasies”Said by KOXZE MIRROR designer Terry Ng.

Despite the raise up trend of peer competition,but the product homogenization is fully a lie; first the different level material,second the different design detail,third the different business concept; every time the consumer attitudes change,the loser is always the follower who has no his own idea.KOXZE MIRROR keeps its unique business concept,maybe its products is not popular to everyone due to the inherent product style, but this will not change its design direction.

Here at KOXZE,we are on the way to create the beauty of decor,make the design not a fantasies,it should be a part of the space.explore the beauty of home decor, KOXZE will do, and you will do as well !

KOXZE MIRROR established since 2002, start out as a small family bathroom mirror business and located in the famous branding ceramic city – Foshan. Currently KOXZE has a variety of etal frames mirrors, wooden frames mirror, traditional glass art mirror and popular led light mirror. since 2007 year, KOXZE has built up its oversea market, the attractive product designs makes it be able to export to Europe, North America, Oceania and more than 30 countries.

Fast forward ten years and the KOXZE of today is recognized for its continuous improvement in product quality and improve service.today KOXZE has one approx 1200 square meters Semi – Finished glass mirror processing workshop, one 800 square meters project workshop and one 200 square meters wholesale workshop. if you are seeking something to create the beauty of home decor, and care all-important details, you've come to right place.
